

# Archibald Macdonald of Keppoch

for Viola/5 String Violin

Trad. Scottish

In case anyone has a viola or 5 string fiddle I've written this out below in alto clef. I've included finger numbers in case it's helpful (C1 = C string 1st finger). The Youtube video teaches it by ear and if you don't play viola or 5 string fiddle then you might enjoy playing the violin version alongside the viola version in the video like a duet.
